SPECIAL EVENTS

The Gift of Mediumship in Energy Healing with Laren Ellen Rainbow

May 18th

7:00 -10:00 PM

Cost: \$35 (email LaurensRainbow@gmail.com for registration)

Lauren Rainbow, voted NH's best Psychic 2009 will be coming to teach us all about Mediumship and its place and purpose in Reiki (and other) Energy Healing and how to develop this skill for the benefit of ourselves and our clients. This is an interactive workshop and you will be able to participate if you choose.

Lauren is a Reiki Master and is also attuned to so many other energy modalities and has been developing and utilizing her gifts for nearly a decade. Reserve space early for this one, she "sells out" quickly! This event is NOT just for those Energy trained~if you are curious, or have had "experiences" of your own, please feel free to join us! Many who work with the process of death and dying, or spirit release will find great value in this class as well!

We anticipate a large number of individuals will have an interest in this class and if necessary we will hold two or more groups!
