**Namaste Reiki Friends!**

**I hope that you have all been having a wonderful time this month. I know it has been a bit dreary with the weather, but truly do appreciate the rain. Many of the wetlands, and water resevoirs are really dry this fall due to our fair weather, sunny summer! So welcome and embrace the rain. Be grateful it is replenishing the supplies and filling the wetlands for the animals who live there.**

**Try to see the silver lining in everything!**

**Classes at the school are going well and it is an exciting process to be bringing Reiki to the community this way..our first class was FULL!**

**The new students (as do all Reiki students), have been having wonderful experiences..and I am sure the library and the folks who visit it at Hood school will be enjoying a positive experience too!**

**Congrats to all the new Reiki students...may Reiki bless and guide your life,... always!**

**Public Clinic and Share:**

Established in 2002, it has been in continuous operation in Southern NH. Provides a place for students, and other Reiki practitioners and teachers, from all Reiki Lineages to gather and practice the art of Reiki, through the giving and receiving of the Reiki Energy.

**Reduced fee private therapy:**

**Students are entitled to 1hour sessions for \$35.00**

Many students need assistance along the way, and don't have the opportunity to participate in the shares, or have a reiki buddy. **More Benefits:**

**Students may retake Reiki 1 within the first two years of training for free, and receive a 50% discount on Reiki 2. Those attuned by other masters, may also take Reiki 2 for a reduced fee if they can: provide proof of reiki training (I do not accept online certification), and that this training was within the past 3 years.**

**Have a wonderful month!  
Love and Reiki Blessings, Beth Crawford**
