Have you ever wondered why someone you have just met
seems SO familiar, but you are SURE you have never met
them before? That feeling like you have known them
"a million years?"

Have you ever visited a place that seems SO very familiar to you,
but you are sure that you have never been there before?

That "dejavu" kind of feeling?

Well, chances are you may actually have known
this person, or been to this place, in a past life!

On July 30th Southern New Hampshire Reiki Center
will be hosting Holly Sutherland, Certified Hypnotherapist
from Today's New Dawn in a group Past Life Journey.

There you will be in a safe relaxing environment and
will be guided to a place and time that holds
importance for you, and may even be impacting
you in some way during this current life.

This will be a fun, SAFE and informative
experience for us all, and everyone will have time to share experiences at the end of the
session.

These group sessions are always exciting and fun
as we discover more about the essence of the persona
we have come to know as "ourselves"!

**NOTE: PLEASE BRING WHAT YOU NEED TO BE COMFORTABLE
ON THE FLOOR FOR AT LEAST 1 HOUR!**
